For our prayers...

- For peace to come in the broken and hurting places of our world. For the raising up of peacemakers and peacekeepers.
- For all who hold the responsibility of high office. For compassion and integrity in their dealings with others.
- For all people of faith—to uphold the values of Jesus and work for God's kingdom to come.
- For schools as they break for the summer. For rest and relaxation for all who teach. For all children preparing to start school or move to a new school. For young people leaving school for further education or employment. May God's love surround them.
- For those who are struggling with mental, physical or spiritual health and those who are frustrated with the effects of increasing frailty. For the bereaved and sad at heart. Bring them God's peace and healing.

News from our parishes...

News from the Parish of Car Colston and Screveton

It was great to see the good news of **St Mary's Pet Service** being shared on Facebook by the Radcliffe Animal Centre. Many thanks to everyone who supported.

Meanwhile team spirits are high among **St Mary's Young Volunteers** following the tremendous planting successes and bumper crop of fruit and veg in our churchyard planter. Team members have done a marvellous job keeping a watchful eye on progress and watering as necessary. Strawberries have been picked and harvesting is starting on the first of the lettuces. We anticipate peas, beans and even sweetcorn are still to come.

Well done team!

News from our parishes...

News from St Peter's church

On a recent Sunday, St Peter's said goodbye and thank you to Pam Shaw. At the end of our morning service Rev Ruth made a presentation of a gift voucher to Pam, who has for many years been key to the smooth running of services, setting up for communion week by week, and a reliable presence at christenings and other offices. Pam has moved away from East Bridgford and we will miss her invaluable contribution to

life at St Peter's. After the presentation members of the congregation gathered to wish her well as she cut the cake made by another member of the congregation. 'Thank you Pam.'

ECO CHURCH

REDUCE, REUSE, RECYCLE

In the natural world nothing is wasted, autumn leaves become spring's fertile mulch and fallen trees rot to provide homes for insects and return nutrients to the soil.

In the UK we are told that we still buy and throw away on average half a tonne of waste per year. To reduce waste we need to buy less and recycle more.

Over consumption is reported as the biggest driver of climate change. Almost everything we buy will have depleted the world's resources:- fossil fuels, fish or phosphorus for fertiliser. A Rocha tells us with world population nearly eight billion people, if each of them live the way we do in the UK, we would need over two and a half Earth's to provide all our wants. Makes you think.

Anything we can do to stop that depletion has to help. Buying less and buying second hand are easy wins.

There are many places where you can buy pre-used goods, in person in charity shops, on Facebook marketplace and there are dedicated websites such as

<https://gumtree.com> or <https://ebay.co.uk> - you can also recycle some of your unwanted 'stuff' on these websites and give them another life!

St Peter's Monthly Churchyard Working Party

Another busy working party, moving earth and pruning hedges. There is still plenty to do, apart from continuing to move earth, there is the long hedge at the bottom of the churchyard that runs parallel with Trent Lane. This hedge is encroaching over the footpath and this is causing problems. The next

working party is on **Saturday 10th**

August between 9.30am and 12pm. If you could bring your secateurs, shears or loppers, or even a spade, we'd be very pleased to see you!

Refreshments are provided!
