

# Welcome to our Advent Windows Trail for 2024

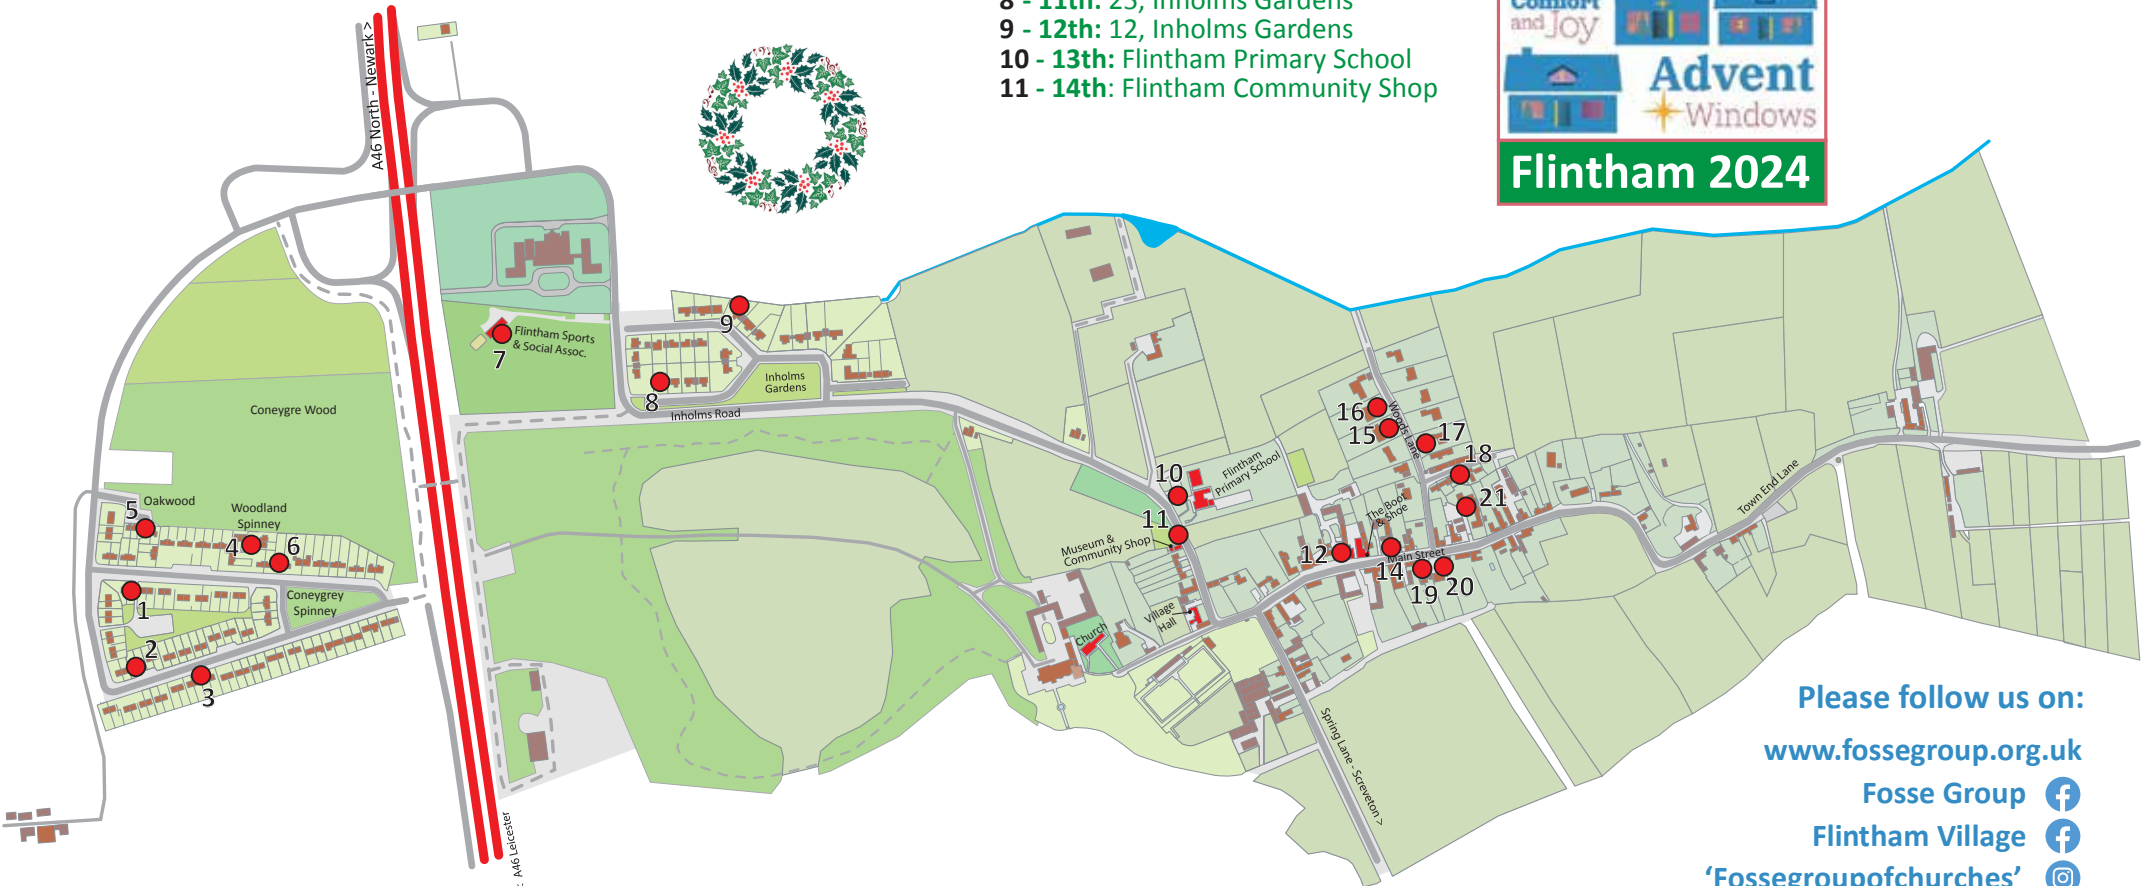

## How the trail works:

Each day from 4th – 24th December a new Advent Window will be revealed in the village and lit up for the first time.

Once a window is revealed it will be lit every evening from 5pm until at least 8pm, adding to the trail of lit windows through the village hoping to spread a little joy and light in the run up to Christmas and New Year. The themes for the windows this year are 'Joy to the world' and 'Bells and Angels'. See if you can spot who has chosen which theme.

The map shows where each new window will be revealed on the trail. The route runs from one end of the village to the other and includes contributions from Flintham Primary School, Flintham Community Shop, The Boot & Shoe and FSSA.

Thank you to all those who take part.

## Coneygre Spinney, Woodland Spinney & Oakwood
