

Flintham Advent Windows 2024

24 houses or village amenities, a new window lit up each day in December in the run up to Christmas

Welcome to our Advent Windows Trail for 2024

How the trail works:
Each day from 8th - 24th December a new Advent window will be revealed in the village and lit up for the first time.
Once a window is revealed it will be lit every evening from 5pm until at least 8pm, adding to the trail of lit windows through the village leading to Spring & Hill and right to the top up to Christmas and New Year. The houses for the windows this year are 'Oxy to the world' and 'Tails and Angels'. See if you can spot who has chosen which theme.
The route shows where each new window will be revealed on the trail. The route starts from one end of the village to the other and includes contributions from Flintham Primary School, Flintham Community Shop, The Boot & Shoe and F2SA.

Thank you to all those who take part.
